

TOLL SCHEME FOR THE LIMERICK SOUTHERN RING ROAD PHASE II

The National Roads Authority, following consideration, has adopted the Draft Toll Scheme for the Limerick Southern Ring Road Phase II.

The Authority considered the following:

- the Draft Toll Scheme and accompanying Explanatory Statement as published;
- the objections received to the Draft Toll Scheme following publication in accordance with section 58 of the Roads Act, 1993, as amended;
- representations made by the relevant local authorities in accordance with section 57 of the Roads Act, 1993, as amended, and
- the Inspector's Report on the Oral Hearing held on 1st February 2005 into the matters raised in the objections to the Draft Toll Scheme.

The Board adopted the Toll Scheme for the Limerick Southern Ring Road Phase II as published.
